CRIMINAL NO. PWG-20-374

**ORDER**

On this date, the Court received and reviewed the Government's Consent Motion to Exclude Time Under the Speedy Trial Act. Based upon the representations set forth in the Government's consent motion, and with the consent of the Defendant, it is ORDERED on this the \_\_\_\_\_ day of \_\_\_\_\_, 2021, that the Government's motion is GRANTED.

It is further ORDERED that all time from February 7, 2021 through March 1, 2021 is excluded in computing the time in which the Defendant's trial in this case shall commence under the Speedy Trial Act.

In addition, based upon the representations in the Government's motion, the Court FINDS that the ends of justice served by taking this action outweigh the interest of the public and the Defendant's right to a speedy trial. Factors considered by the Court in granting this motion include the nature of the case and the severity of the present charges. Given these factors and others, the Court FINDS that it is unreasonable to expect counsel to prepare for pretrial proceedings or trial within the time limits established under 18 U.S.C. § 3161.
